“**Voice and Body**” is a method developed by Zygmunt Molik inviting each participant to individual and collective, corporal and vocal explorations. It is founded on a series of actions called “Body alphabet” working on the connexions between body, breathing and voice in the creative process.

Zygmunt Molik was co-founder of the Laboratorium Teatr of Grotowski. He was one of the main actors and was in charge of vocal training.

Jorge Parente is an actor, theatre director and teaching specialist. As pupil and then as assistant he studied over 18 years with Zygmunt Molik.
